8. IdA-projects and partners: an overview on ida-eumap.de
9. What are the results of IdA?
La Fundación Paideia y la Xunta estudian ampliar el programa IdA a los jóvenes gallegos

La organización que dirige Rosa Mera colabora desde hace años con el Institut IdA de Berlín, cuyos representantes participaron en el encuentro a través del programa IdA, que financia los estudios de jóvenes alemanes en el extranjero. No obstante, Paideia y la Xunta se plantearon ahora la posibilidad de que esas becas beneficien a los jóvenes gallegos para que estudien en Alemania.
11. Cooperation with Spain

- 16 German IdA-project operators cooperate with 17 partners in Spain
- 78 young persons from Spain have so far come to Germany
- „Incoming mobility“ from Galicia, Alicante, Santa Cruz de Tenerife, Castilla
- „Outgoing mobility“ to Andalucia, Alicante, Pays Vasco, Catalunya, Galicia, Mallorca and Valencia
- In 2013 there are more mobility activities planned in both directions
12. IdA Partners in Spain: Overview
13. Allocation of costs and tasks for “Incoming Mobility”

Member State: Germany (DE)

- Supports mobility measures for young people living in other MS/Region (final beneficiary: project operators based in DE):
  - Profiling and placement of traineeships
  - Organization of accommodation stay in DE

- Other MS/Region transnational action: mobility measures for young people living in other MS/Region for traineeships in Germany

- Debriefing and support
- Preparatory language courses
- Insurance
- Expenditure for travel and living in DE (accommodation, pocket money)

Other MS/Region

- Supports mobility measures for young people living in the respective MS/Region (final beneficiary: project operators based in respective MS/Region):
  - Individual guidance during stay in DE

- Supports mobility measures for young people living in Germany (DE)
14. IdA goes Europe? Transnational Learning Network „Mobility“

Objective 1: Preparation of a coordinated call on transnational mobility measures for youth and young adults

Objective 2: Launch of a coordinated call on transnational level

Objective 3: Support for launch of individual calls on national/regional level
15. A new German mobility programme: MobiPro-EU

**IdA**
- **Target group:** Disadvantaged young persons
- **Objective:** Improve employability; integration into labour market/apprenticeship/education in home country or host country
- **Exchange in both directions (Incoming/Outgoing)**
- **Bilateral Financing**
- **In Germany:** Ressources for infrastructure to implement IdA (project operators)

**MobiPro-EU**
- **Target group:** qualified unemployed persons until age 35; young persons for dual apprenticeship system in Germany (from age 18)
- **Objective:** integration of qualified unemployed into German labour market; or into dual apprenticeship system
- **Incoming-Mobility**
- **Financed by Germany**
- **Implementation based on existing infrastructure (EURES)**

High priority of mobility in BMAS; various memoranda of understanding with other MS to support this approach!
16. What MobiPro-EU offers

- Language classes in home country
- Travel costs for job interviews, traineeships and apprenticeships
- Language classes in Germany
- Financial support and individual guidance for trainees and apprentices
- Costs of moving to Germany in case of qualified persons taking up regular employment
- Only individual beneficiaries; no financing of administration/implementation
Thank you for your attention!
